

City Girls Group Code of Conduct

City Girls Group (CGG) takes the well-being of our members very seriously. By using the CGG Web site (whether or not you choose to become a member) and attending any events sponsored by CGG, you agree to accept this Code of Conduct. In other words, this is an agreement between you and us, just like the Terms of Use. To the extent there is any inconsistency between the Terms of Use and this Code of Conduct, the Terms of Use shall take precedence.

You agree that we may modify terms of this agreement from time to time at our sole discretion, which we will do by updating this page. If you do not agree with the terms below, you should stop using our site immediately.

- You will show courtesy and good will towards other members and users.
- You will not post content that is offensive to our community, such as photos, videos, messages, or events that promote racism, bigotry, hatred or physical harm of any kind against any group or individual.
- You will not harass or advocate harassment of another person, such as by sending inappropriate messages or posting inappropriate comments.
- You will not distribute or disseminate inappropriate, unauthorized or unsolicited advertising or promotional offers including, but not limited to, spam, contests, sweepstakes, barter, junk mail, chain letters, and pyramid schemes.
- You will not invade privacy by attempting to collect, store, or publish private or personally identifiable information, including, but not limited to, password, account information, email, credit card number, address, or other contact information.
- You will not use the site to obtain personally identifiable information, or to solicit, sell, or promote to any member inappropriately.
- You will not impersonate another member, celebrity, or otherwise falsely represent yourself.
- You will not copy or reuse other members' content, such as their photos or videos, without their permission.
- You will not engage in "friend spam" (amassing a large number of contacts on the site for promotional purposes or personal gain).
- You will not create "trolling" posts (deliberately posting false or provocative information in order to elicit responses from people who would not respond if they knew the motivation behind the post).

We will review and may act immediately upon any complaints from our members. We reserve the right to investigate and take appropriate legal action, in our sole discretion, against anyone who violates these terms.
